

July 17, 2020

Dear Families,

The 2020-2021 school year is being navigated by complicated times with the COVID-19 pandemic. Our Preschool Board of Directors have decided that it would be best to **delay the start of our school year to October 1** contingent on the virus spread statistics within our region.

We understand that people have varying opinions about this pandemic and are looking to provide you with options you may be most comfortable with. Please think over the choices below and send us by email ([preschool@gracewin.org](mailto:preschool@gracewin.org)) your commitment by **July 31<sup>st</sup>**. This will allow us the time to get staff in place and trained to provide your child with the safest and most developmentally appropriate experience.

**Option 1 – In-person class**

*(This would include normal tuition and class sizes of no more than 8 students.)*

**Option 2 – Virtual Learning Experience with an option for returning to in-person on January 1 or March 1**

*(The cost for a virtual experience would be \$100/month and one of our teachers would be providing instruction.)*

**Option 3 – Not comfortable attending**

We apologize for any inconvenience this change may cause. Feel free to email me with any questions or concerns you may have. Please remember we need a **response back by July 31** to help us further our plans. Stay safe and healthy!

Blessings,

Jennifer Strickler

Executive Director
